For multiple entitlement applications, there is a discount based on the application type.

All entitlements that do not include a Tentative Subdivision Map for residential development shall receive a multiple entitlement discount for all entitlements that are applied for at the same time at the following rate: 100% of the most expensive entitlement (per the fee chart above), all additional entitlements applied for at the same time shall be charged 63% of the subsequent entitlement fee (per the fee chart above).

Residential Tentative Subdivision Map applications shall receive multiple entitlement discounts for all entitlements that are applied for at the same time. A project shall pay 100% of the most expensive entitlement (per the fee chart above), all additional entitlements applied for at the same time shall be charged at the following percentages:

- part of a 5-100 Lot Tentative Map application: 13%
- part of a 101-300 Lot Tentative Map application: 25%
- part of a 301-600 Lot Tentative Map application: 50%
- part of a 601 Lot or more Tentative Map application: 60%
