## Press Release

On 1/30/2012 at 1500 hours, Manteca Police Department was investigating the theft of an I-Phone. The I-Phone had a GPS program and it indicated that it was located at 11225 S. Hwy 99 Frontage RD, near the golf course.

The property at this location is over an acre with a main house. Three or four trailers parked on the north side, several garages that converted into rooms, and a motorhome located behind the garages. State Patrol advised that there were paroles-at-large that lived in that area, as well as an individual that was currently searchable. MPD sent multiple units to the above location, with the assistance of state patrol. When units arrived, at least two individuals attempted to flee into the field behind the residence, but they were detained by the officers in the back.

MPD was able to confirm that the phone was located on the property. The phone was shut off after Manteca Police Department arrived. MPD was unable to locate the phone; however MPD did make arrests on the following:

1. Gina Mersaroli, 37 years old, charged with felon in possession of a shotgun, ammunition, and a misdemeanor warrant.
2. Daryl Yary, 54 years old, charged with an outstanding no bail misdemeanor traffic warrant.
3. Stephen Marschand, 45 years old, charged with possession of methamphetamine.
4. Wesley Hamilton, 35 years old, charged with check fraud, making fictitious checks, possession of blank checks, and possession of a stolen access card.
