**APPLICATION FOR TEMPORARY CLEARANCE
FOR CONNECTION OF UTILITIES**

It is hereby requested that a temporary clearance of utilities be given at this time, prior to the issuance of a Certificate of Occupancy, at the address below:

_____, Manteca, CA

The undersigned hereby agree not to occupy the building nor to allow the building to be occupied unless written approval is granted by the City of Manteca Building Safety Division to do so, and further agree to allow the City of Manteca Building Safety Division to order utilities disconnected if the building is occupied without written approval or if the building is occupied beyond any temporary occupancy that may be granted by the City of Manteca Building Safety Division.

By signing this agreement, the contractor and/or the owner agree to hold the City of Manteca harmless and waive any action they may have against the City, or its officials or employees.

Occupancy of a building without written approval shall be grounds for not allowing the use of temporary utilities of this as well as future buildings.

Occupancy of a building prior to final approval of the building by the City of Manteca or beyond any period of temporary occupancy granted by the City is a misdemeanor (California Building Code §103.1 and Manteca City Ordinance 15.04.050).
