

CITY OF MANTECA

FINANCE DEPARTMENT

Addendum #1

May 2, 2011

To whom it may concern,

Please find an updated specification drawing for the passenger bench with no back for the City of Manteca's Transit Passenger Amenities call for bid. The new drawing includes the addition of **two anti-vagrant bars**, as opposed to the original drawing which did not detail any anti-vagrant bars. Please use the attached drawing in lieu of page 6-4, Passenger Bench with no back, of the bid package.

As a reminder, all bids must be enclosed in a **sealed** envelope with the following information on the outside:

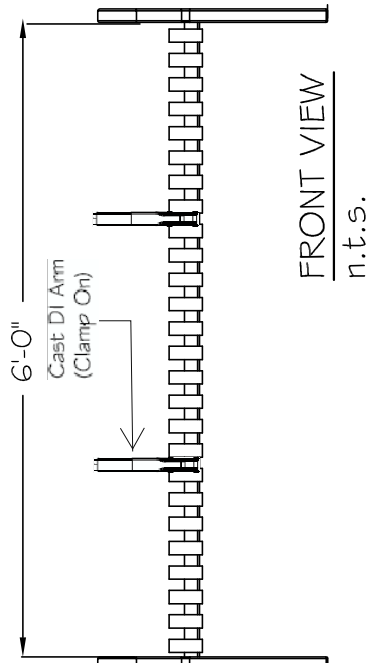

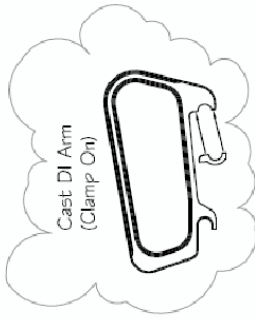

1. Name and address of bidder
2. Project for which the bid is being submitted
3. Date and time of bid opening

Additionally, please be aware that the Contractor's Background, page 5-3, must be fully complete in order for your bid to be considered.

All bids for the City of Manteca Transit Passenger Amenities are due by 2:00 p.m., Wednesday, May 11, 2011. Thank you for your interest and we look forward to receiving your bid.

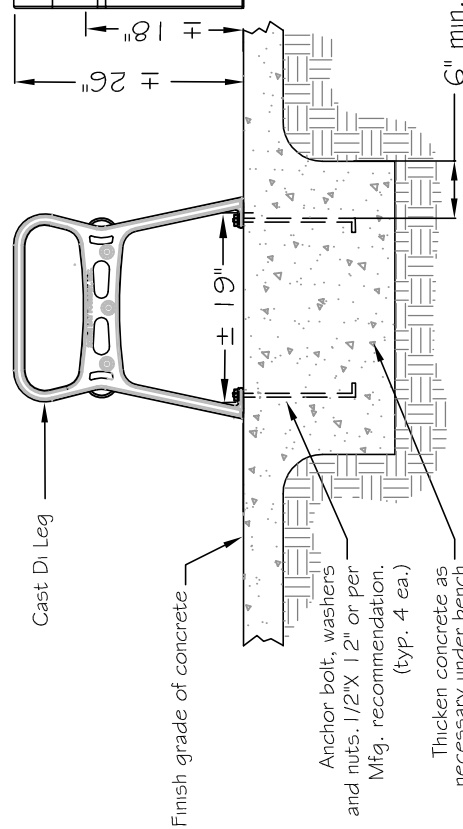

Sincerely,
Johanna Ferreira

6 FT. PARK BENCH Without Back

NOTES:

1. Park Bench shall be South Bay Foundry #PB-100-N872 or City approved equal.
2. Bench shall be 6 feet in length. Final location and alignment shall be confirmed with City's Representative prior to installation.
3. Bench color shall be Semi-gloss black and have a polyester powder coat finish.
