## **Kids' Zone Programs**

Kids' Zone is a state-licensed Before-School and After-School Program offered in cooperation with Manteca Unified School District for children in Kindergarten through 7th grade. KinderZone is an after-school program for Kindergarten students. The goal of Kids' Zone is the total well-being and safety of each and every child. Our mission is to enrich the lives of children by providing a safe, supportive and structured environment, promoting social, physical and intellectual development. Kids' Zone offers educational activities, snacks, arts and crafts and homework time. The program operates throughout the school year Monday through Friday, on school days only.
