FIRE-FLOW TESTING APPLICATION

Where a waterflow test is used for the purposes of system design, the test shall be conducted no more than 12 months prior to working plan submittal unless otherwise approved by the authority having jurisdiction. *[NFPA 13 §23.2.1.1]*

To initiate a fire flow test, e-mail all submittal documents to firemarshal@mantecafire.org. The testing may take approximately a week to process, depending on staffing levels. Please plan accordingly with your project's timelines.

Submittal requirements

Incomplete submittals will not be accepted.

- Completed application
- Provide a site map
Include cross streets, street names and 3 off-site hydrant locations with water main size. (Alpha/numerical identification of hydrants shall correspond to respective data)
- All fees must be paid at time of submittal via check payable to City of Manteca

Fees

Current fee for testing is \$77.00 for each test performed.
