1. **PERSONNEL SYSTEM – RULES AND REGULATIONS**

1.01 **PURPOSE**

The purpose of these rules and procedures is to establish a high degree of understanding, cooperation, efficiency, and unity for employees in the City service, and to establish systematic and uniform procedures for the handling of personnel matters.

1.02 **ADOPTION, AMENDMENT AND REVISION OF PERSONNEL RULES AND REGULATIONS**

Personnel Rules and Regulations shall be established by resolution adopted by the City Council. Proposed amendments to/or revisions of the Personnel Rules shall be submitted to the City Council in writing by the Administrative Services Director after approval of the City Manager.

Any employee or employee organization may suggest amendments in writing to the City Manager. A copy of any proposed change shall be given to each recognized employee organization before submittal to the City Council. A copy of the council agenda and agenda materials will be on file in the city clerk's office, and available during regular office hours for review. Nothing in these rules shall be construed to require meeting and conferring in good faith concerning additions, deletions, or changes to these rules or their administration, if such is not required under applicable state law.

1.03 **ADMINISTRATION OF PERSONNEL MATTERS**

The City Manager is responsible to the City Council, pursuant to the Manteca Municipal Code Section 2.08.070, to appoint, remove, and demote any and all employees of the City subject to these Personnel Rules and Regulations, except the elected officials.

1.04 **DISSEMINATION OF THE PERSONNEL RULES AND REGULATIONS**

Copies of this Personnel Rules and Regulations shall be provided to all full time, at-will, and probationary employees upon initial employment. Copies shall be on file in the Administrative Services Office and in each Department Manager's office. Where departmental rules and regulations are in force, copies of such rules will also be available to employees of that department.

1.05 **POWERS OF THE PERSONNEL OFFICER**

The City Manager is the Chief Administrative Officer and the head of the administrative branch of the City Government. The City Manager may delegate any of the powers and duties conferred upon him/her as the Personnel Officer to any other officer or employee of the City. Whenever the term “City Manager” or “Personnel Officer” is used in these Rules, it shall include the City Manager or any person designated by him/her to carry out any function required by these Rules. When any officer or employee other than the City Manager is assigned a duty or responsibility under these Rules, such assignment is
subject to the direction and control of the City Manager, and the City Manager shall have the right to perform such duty or responsibility or to assign it to any other officer or employee.

Subject to Sections 2.08.070 of the Manteca Municipal Code, the City Manager’s power and authority includes, but is not limited to, the right to:

1.05.1 Establish, when not in conflict with these Rules, such other policies, procedures, rules and regulations necessary for the efficient administration of all the affairs of the City which are under his/her control;

1.05.2 Appoint, remove, promote, demote, discipline and transfer any and all officers and employees of the City, except members of the City Council, appointed boards and commissions;

The City Manager shall interpret, apply, administer and enforce the provisions of these Rules, any ordinances or resolutions relating to personnel matters, the Employer-Employee Relations Resolution, Memoranda of Understanding, and any other pertinent regulations, directives and policies which relate to the City’s personnel system.

1.06 DEPARTMENT RULES AND REGULATIONS

Department Managers may develop, implement and revise as necessary any departmental policies, procedures, rules and regulations pertaining to unique operational requirements and their effect upon departmental personnel as are needed for the full performance of duties and responsibilities and which are not contrary to these Rules, the City's Council/Administrative Policies, other official rules, policies and procedures of the City, provisions of applicable memorandum of understanding, state and or federal law, or direction of the City Manager. Departmental policies, procedures, rules and regulations are subject to review by the City Manager or designee.

1.07 CONFLICT OF PERSONNEL RULES

In the event that one or more provisions of these Rules contradicts provisions included in any memorandum of understanding ratified by the City Council and currently in effect between the City and a formally recognized employee organization, the terms of the memorandum of understanding shall prevail. If there is a conflict between these Rules and a Council/Administrative Policy, these Rules prevail. If there is a conflict between these Rules, a memorandum of understanding or Council/Administrative Policy and a state or federal law, that law prevails.

1.08 VIOLATION OF PERSONNEL RULES

Each employee is responsible for knowledge of and complying with these Rules and any amendments hereto. Violation of the provisions of these Rules shall be grounds for disciplinary action, up to and including, dismissal.
1.09 **EQUAL OPPORTUNITY EMPLOYER**

The City is committed to the goal of equal employment opportunities. It is the policy of the City to ensure that the application of these Rules and the recruitment, employment, training, advancement, layoff, salary level, termination, and all other personnel actions for all positions, classes and individual employees are made on the basis of qualifications and performance without regard to race, color, religion, creed, national origin, sex, political affiliation, sexual orientation, physical or mental disability, or any other basis prohibited by federal or state law.

1.10 **EMPLOYMENT OF RELATIVES**

Relatives of Regular and Probationary employees may not be hired by the City as a Regular employee if:

a) the individuals concerned will work in a direct supervisory relationship.

b) the employment will pose difficulties for supervision, safety, security or morale, as determined by management.

Relatives are those persons defined as Immediate Family in Section 10.04.

In the event that a change in status occurs (as by marriage, promotion, job assignment, demotion, adoption) with respect to present employees, then the present employees will be permitted to continue employment with the City only if they do not work in a direct supervisory relationship with one another. If employees whose status changes do work in a direct supervisory relationship with one another, the City will attempt to reassign one of the employees to another position for which he or she is qualified, if such a position is available. If any such transfer results in moving to a classification with a lower salary, then the employee's current salary will be maintained as described in Section 3.03, if no such position is available, then one of the employees will be required to leave City employment. The decision as to which employee will leave is left solely to the City Manager's discretion and shall not constitute discipline and shall not be subject to any administrative appeal.
2. **CLASSIFICATION**

2.01 **PERSONNEL ORGANIZATION**

The City is organized into several departments. Each department includes one or more job classifications. Authorized positions within each job classification must be approved by the City Council. The City Manager has authority to approve department position changes to the classification plan non-inclusive of monetary increases, new job classifications, or increasing the total positions for that department.

2.02 **PREPARATION OF PLAN**

The Administrative Services Director or a person or agency employed for that purpose shall ascertain and record the duties and responsibilities of all positions in the competitive service and, after consulting with the Department Manager, shall recommend a classification plan for such positions. The plan shall consist of classes of positions in the competitive service defined by specification and title. The plan shall be so developed and maintained that all positions with substantially similar duties, responsibilities, authority and character of work are included within the same class and that the same schedules of compensation may be made to apply with equity under like working conditions to all positions in the same class.

2.03 **ADOPTION, AMENDMENT, AND REVISION OF PLAN**

The classification plan shall be adopted by the City Council and may be amended from time to time. The City Manager has authority to approve department position changes to the classification plan non-inclusive of monetary increases, new job classifications, or increasing the total positions for that department. The City Manager has the authority to replace one authorized budgeted position with another already authorized position.

2.04 **ALLOCATION OF POSITIONS**

Following approval by the City Council of the classification plan, the Administrative Services Director shall allocate every position in the competitive service to one of the classes established by the plan.

2.05 **RECLASSIFICATION**

Upon the recommendation of the Administrative Services Director, the City Manager shall allocate a position to a more appropriate class when the assigned duties of a position have been materially changed so as to necessitate reclassification. A reclassification shall not be used for the purpose of avoiding restrictions concerning demotions and promotions, nor to effect a change in salary in the absence of a significant change in assigned duties and responsibilities.
A Department Manager, or an employee through the Department Manager, may request that a position be reclassified. The Department Manager shall forward such requests to the Administrative Services Director along with his/her recommendation. The Administrative Services Director shall recommend to the city manager the reclassification of any position determined to be improperly classified.

When an incumbent occupies a position which is reclassified the employee occupying the position may be retained in the position if the Department Manager determines that: (a) the reclassification results from an official recognition of a change in duties or responsibilities which has already occurred; (b) the incumbent has the knowledge, skills and abilities, or other qualifications, of the new class; (c) the incumbent has demonstrated a high level of performance in the changed duties and responsibilities; and (d) the incumbent has had regular status in the former position.

When an employee is retained in a position which is reclassified to a higher salary range, the employee is subject to a probationary period the same as if the employee had been promoted.

2.06 EMERGENCY OR TEMPORARY POSITIONS

Whenever, in the judgment of the City Manager, it is necessary for a department to employ a person or persons on an emergency or temporary basis in a type of position for which there is no classification provided in the Classification Plan, then the City Manager may authorize such positions and shall fix the amount of compensation, and may determine the minimum qualifications for such additional employees, and shall limit in advance the period of time the position may be allowed up to a maximum of six (6) months.

2.07 LAYOFF AND RECALL

When the City decides it is necessary to reduce the work force from lack of funds, lack of work, or change in responsibilities, employees in positions targeted for elimination are subject to layoff.

2.07.1 Order of layoffs.

Temporary employees in affected classifications will be laid off first whenever possible unless programs rely on them solely to operate. Laid off employees will be given the option of accepting part-time temporary jobs in their same classifications if those positions exist. Positions to be eliminated shall be determined within City departments. Layoffs shall be based on an employee's seniority within the classification, i.e. those with least seniority shall be laid off first. In the event of a tie, then total City seniority shall be determined.

2.07.2 Bumping rights.

Affected employees may demote to a job which is vacant in their classification series. Employees may bump/displace a person in the same or a lower level
classification if the “bumping” employee has greater city seniority and has previously held the classification or the classification is within the affected employee’s classification series. Due consideration will be given to reclassification and title changes in positions previously held.

2.07.3 Reinstatement

The names of employees who are laid off or who have bumped will be maintained on a re-employment list for the classification they were laid off or bumped from and those classifications within their classification series which are of equal or lesser salary for 24 months. When using the re-employment list to fill a position in a classification from which layoffs have occurred, the city shall re-employ laid off employees from the list in reverse order of layoff. During the 24-month period, no employee shall be hired nor shall any employee be promoted to a classification from which layoffs have occurred until all employees on layoff status in that classification have had the opportunity to return to work.

With the recommendation of the Department Manager and the approval of the City Manager, a permanent or probationary employee who has resigned in good standing may be reinstated within one year of the effective date of resignation, to a vacant position in the same or comparable class. Upon reinstatement, the employee for all purposes, shall be considered as though he/she had never left service and with no loss of seniority less the amount of time the employee was separated from city service for purposes of section 2.07.
3. **COMPENSATION**

3.01 **PREPARATION AND ADOPTION OF PLAN**

The Administrative Services Director shall prepare pay plans for all classes of positions in the classified service and such other classes of positions as are authorized by the City Council or City Manager. The City Manager shall submit the proposed pay plans to the City Council which shall adopt the plan as submitted or amended.

A schedule of pay rates and ranges, salary steps, and hourly rate equivalents shall be established by resolution adopted by the Council. The classes in the Classified Service shall be assigned by resolution adopted by the Council to a pay rate, pay range and salary steps, or hourly rate equivalents which shall become the basic compensation for each class.

The adopted plan shall be applied to all positions. No position may be assigned a rate either lower or higher than the minimum or maximum established by the adopted plan.

3.02 **ADMINISTRATION**

The Administrative Services Director shall implement the pay plan. The City Manager establishes pay periods and the method and time of distributing payroll. Deductions from employees' wages are made in accordance with prevailing laws, contracts, rules and regulations. Certain deductions are made on the written authorization of each employee (for example, group health, credit union, recognized employee organizations). Changes in deductions or in salary take effect during the next pay period unless otherwise authorized by the personnel director.

3.03 **APPLICATION OF SALARY RANGES AND RATES**

The authorized pay ranges for the respective classes of positions with such amendments as may be adopted by the Council from time to time by resolution shall be applied as follows:

3.03.1 **Appointments**

New employees shall be appointed at the designated pay rate or the first salary step of the pay range to which their classification is assigned. When a pay range exists for a classification and it appears that the education and previous training or experience of a proposed employee are substantially superior to those required of the classification and justify a beginning salary in excess of such minimum compensation, upon recommendation of the Appointing Authority and the Administrative Services Director, the City Manager may authorize an appointment to a position at a higher salary step in the pay range.
3.03.2 Review Dates

The review date for considering salary advancement corresponds to the employee evaluation process set forth in Section 4. The review date is established as follows.

The first review date for an employee appointed at the A step is at the end of 6 months of actual service at the A step. For an employee appointed at step level B, C or D, the review date is at the end of 1 year of actual service, or from the date of the last step increase.

3.03.3 Advancement Within Salary Range (Step Increases)

At the completion of 12 months of satisfactory employment, employees are eligible for consideration to receive a merit increase. Additional merit increases will be considered as part of the performance evaluation system on an annual basis thereafter until the attainment of Step E.

All merit increases shall be based on satisfactory performance as shown from written performance evaluations completed by the employee’s Supervisor and approved by the Department Manager.

Promoted Employees

At the completion of six months of satisfactory performance, employees promoted at Step A are eligible for consideration to receive a merit increase. If promoted at other than Step “A” in a five (5) step pay range for the classification, then consideration for advancement to the next salary step will take place one year following the date of promotion.

3.03.4 Special Salary Adjustments

The City Manager may at his/her discretion, upon recommendation of the Department Manager and upon receipt of verification that funds are available in the affected department’s budget, adjust the salary step of an incumbent in a particular position to any step within the pay range for the classification in order to correct gross inequities or to reward outstanding achievement and performance.

3.03.5 Temporary Assignment in a Higher Paid Classification

Employees represented by bargaining units shall receive additional compensation for working temporarily in a higher paid classification according to the provisions contained in the MOU. For all other regular, full-time employees specifically assigned to perform the majority of the duties of a higher classification for more than five (5) consecutively scheduled working days and who are both qualified and required to perform at least a substantial portion of the tasks of the higher
classification shall be compensated five (5%) percent above the salary which he/she is currently receiving beginning on the first day of such schedule. Any break in consecutive scheduled working days shall then require the employee to re-qualify for the five percent (5%) adjustment as provided above. In the event that an employee is temporarily assigned for more than three consecutive calendar months, the limitation on the pay differential shall be negotiated. Whenever an amount greater than five (5%) percent is recommended by the Department Manager, or an exception to the five (5) consecutive days, it will require approval by the City Manager or his/her designee.

3.03.6 Promotions

When employees are promoted, they shall normally receive the first step in the salary range for their new position. However, if such step results in a salary increase of less than 5 percent, they shall receive the next step in the range so that the increase is equal to at least 5 percent.

In the event that a pay range change becomes effective on the date an employee is promoted to a higher classification, the employee shall first receive any corresponding step adjustment to which entitled in the lower classification, and then the next higher step promotional adjustment.

In some cases employees receive pay at a rate other than their normal pay due to provisional appointment or out-of-classification pay. In the event of a promotion, the employee shall be placed on the salary range at the step nearest to their normal base pay rate prior to the out of class assignment.

3.03.7 Demotion

Employees demoted from one classification to another classification having a lower maximum rate of pay shall be assigned to a salary step in the lower paying classification. For a disciplinary demotion, the new salary step placement in the lower paying classification shall be at least one (1) step less than the dollar amount received in the pay range for the classification from which demoted.

3.03.8 Transfers

Employees transferring from one position to another in the same classification, or another classification to which the same pay range is applicable, shall remain at the same salary step.

3.03.9 Retention of Salary and “Y” Rates

When a pay range is adjusted downward, incumbents may, on approval of the City Manager, retain their same dollar amount of salary within the
lower pay range, or if their present rate exceeds the maximum of the lower range, may continue to receive the same dollar amount and said amount shall be designated a “Y” rate. A “Y” rate ends, and the employee is eligible for available pay increases, when the new salary range exceeds the “Y” rated pay through adjustment of the compensation plan due to cost of living or other adjustment approved by the City Council. Any such “Y” rate shall be indicated by a capital “Y” following the salary each time it appears on personnel records or transactions. Said “Y” rate shall be canceled on vacancy of the position.

3.03.10 Reemployment

Upon the rehire of a former employee into the same classification as the employee occupied prior to separation, such a person shall receive the same salary step in the pay range for the classification as was received prior to separation. If rehired into a related lower classification, credit shall be given for prior service in determining the salary step for employment in the lower classification. If rehired into a higher classification than previously occupied, the rules regarding pay upon promotion shall apply.

3.03.11 Anniversary Date

In the event that an employee receives a promotion to a higher range, his/her anniversary date in his/her new range will be the effective date of his/her promotion. The employee’s original anniversary date (original employment date with the City) will remain the anniversary date for vacation leave, sick leave and retirement entitlements.
4. PERFORMANCE EVALUATIONS

4.01 PROBATIONARY EMPLOYEE PERFORMANCE EVALUATION

Performance evaluations for probationary employees are conducted upon the completion of the sixth and twelfth month of service. Additionally, sworn personnel are also evaluated after eighteen months of service.

4.02 ANNUAL PERFORMANCE EVALUATION

An employee's supervisor will prepare at least once per year, preferably on the employee’s job anniversary date, a written performance evaluation for each regular employee.

4.03 EVALUATION FORM AND EFFECT OF PERFORMANCE EVALUATION

The Administrative Services Director or designee shall prescribe forms for such performance evaluations and shall be responsible for assuring that such evaluations are adequate to provide information to both the employee and the City for the purposes set forth in this section.

An employee must have a performance evaluation with an overall "satisfactory" rating to be eligible for a merit salary increase or promotion; such merit increase shall be effective on the first payroll date of that month if the hire date or promotion occurs between the first and fifteenth of the month and on the first payroll date of the proceeding month if the hire date or promotion occurs between the 16th and 31st of the month.

Employees receiving less than an overall "satisfactory" rating on their performance evaluation will not be entitled to a merit increase in salary. Deficiencies in performance by an employee may result in a decrease in salary, suspension, demotion, or dismissal. Should the evaluation show deficiencies in performance, the party conducting the evaluation will specify a time for an additional formal review not to exceed six months from the date of said evaluation.

4.04 DISCUSSION OF PERFORMANCE EVALUATION

Upon the completion of any performance evaluation, a meeting shall be held between the employee and the supervisor to discuss the employee's performance and to assist in developing the employee's maximum potential within City service.

4.05 PERFORMANCE EVALUATIONS PART OF PERSONNEL FILE

All performance evaluations become a permanent part of a regular employee's personnel file. All regular employees shall have the option of filing a written rebuttal to the evaluation within 90 days of the evaluation and having it become part of their personnel file.

5.03.10 Request by the applicant that his/her name be withdrawn from consideration; and/or

5.03.11 For any material cause which, in the judgment of the Administrative Services Director or designee and consistent with the law, would render the applicant unfit for the particular position, including prior resignation from the City, termination from the City, or significant disciplinary action.

5.04 DISQUALIFICATION FOR CRIMINAL CONDUCT

Conviction by any state or the federal government for a crime, the punishment for which could have been imprisonment in a federal penitentiary or a state prison; or conviction of any crime involving moral turpitude; provided, however, that the Personnel Officer may consider any mitigating circumstances that may exist, including, but not limited to:

Whenever an application is rejected, notice of such rejection shall be mailed to the applicant by the Administrative Services or designee, who shall, upon applicant’s request, state the reason for such rejection.

5.06 APPEAL PROCEDURE

If an application is rejected, the applicant may appeal the rejection to the Administrative Services Director or designee within 10 days of the rejection notice. The Administrative Services Director or designee shall review the appeal and either affirm the rejection or reinstate the applicant in the selection process. The decision of the Administrative Services Director or designee shall be final.
6. Selection Process

6.01 Examinations

Written, oral, manual, and/or other job related examinations may be required for eligibility for any position with the City, including promotions, as determined by the Administrative Services Director. Examinations shall be authorized and/or scheduled by the Administrative Services Director, as necessary.

6.02 Nature of Examinations

The selection techniques used in the examination process shall be impartial and relate to those subjects which, in the opinion of the Administrative Services Director after consultation with the Department Manager, fairly measure the relative capacities of the persons examined to execute the duties and responsibilities of the class in which they seek to be appointed. Examinations shall consist of selection techniques which attempt to test fairly the qualifications of the candidates such as, but not necessarily limited to, written tests, personal interviews, performance tests, physical agility tests, evaluation of daily work performance, work samples, evaluation of qualifications, medical and psychological tests, successful completion of prescribed training, or any combination of these or other tests. Reference checks, background investigations, medical and psychological tests, and the probationary period are considered an extension of and a part of the examination process.

6.03 Types of Examinations

Promotional examinations may be conducted whenever, in the opinion of the Administrative Services Director, the needs of the service require. Such examination may include any of the selection techniques mentioned in Section 6.01 and 6.02 of this chapter. Only permanent employees who meet the requirements set forth in the examination announcements may compete in promotional examinations.

6.04 Open-Continuous Examinations

Open-competitive examinations may be administered periodically for a single class, as the needs of the service require. Names shall be placed on employment lists, and shall remain on such lists, as prescribed in these Rules and Regulations.

6.05 Scoring of Examinations

The Administrative Services Director shall establish the scoring of any test and the minimum rating for qualifying on an examination, or any part of it. The failure of a candidate on an examination, or any part of it, is grounds for the candidate's failure and/or disqualification from further parts of that examination.
6.06 **NOTIFICATION OF EXAMINATION RESULTS**

Each candidate in an examination shall be given notice of his or her success or disqualification. Notification will be sent to the candidate’s last known address. Candidates that appear on the eligibility list may be contacted for additional interviews when another employment opportunity arises for the same classification for which they were initially interviewed. Candidates on the eligibility list for one classification may be contacted to interview for a lower-level classification in the same classification series.

6.07 **ESTABLISHMENT OF ELIGIBILITY LISTS**

After completion of an examination, the Administrative Services Director or his/her designee, shall prepare and keep available an eligibility list consisting of the names of candidates who qualified in the examination. Names shall be listed by final examination score, tie scores given equal ranking, or alphabetically if the examination was qualifying only.

The department may select from the top three (3) candidates on the eligibility list.

6.08 **DURATION OF ELIGIBILITY LISTS**

Employment lists shall remain in effect for one year unless exhausted sooner. Said lists may be extended, prior to their expiration dates, by action of the Administrative Services Director for additional periods, but in no event shall an employment list remain in effect for more than two (2) years from the date of its creation.

Open-competitive lists created, as the result of continuous examinations shall remain in effect for not more than one (1) year after the last administration of the examination unless exhausted sooner. Names placed on such lists shall be merged with any others already on the list in order of final scores and shall remain on the list for not more than two (2) years.

6.09 **REEMPLOYMENT LISTS**

The names of regular employees laid off shall be placed on a reemployment list in the order of total continuous accumulative time served in probationary and regular status or, if laid off at different times, in the reverse order in which they were laid off. Such names shall remain thereon for a period of two (2) years unless such persons are sooner reemployed. The names of probationary employees shall be placed on said reemployment list only if they were laid off in good standing.

6.11 **REMOVAL OF NAMES FROM THE ELIGIBILITY LIST**

The name of any person appearing on an employment, reemployment, or promotional list shall be removed by the Administrative Services Director if the eligible person requests that his/her name be removed, if the person fails to respond to a notice mailed to his/her last known address, or for any of the reasons specified in Section 5 of these rules. The
person affected shall be notified in writing of the removal of his/her name by a notice mailed to his/her last known address. The names of persons on promotional employment lists who resign from the service shall automatically be dropped from such lists.
7. **METHOD OF FILLING VACANCIES**

7.01 **APPOINTMENTS**

All vacancies in the classified service shall be filled by re-employment, transfer, demotion, reinstatement, or appointment from an eligibility list certified by the Administrative Services Director from an appropriate employment list. In the absence of persons eligible for appointment, the city manager may authorize a provisional appointment.

7.02 **REGULAR APPOINTMENT**

An appointment from an established employment list to a position that has been created for an indefinite period of time is a regular appointment. The individual so appointed will become a regular employee after satisfactory completion of a probationary period; provided, however, that the probationary period for an appointment from a reemployment list shall not exceed the time that was remaining when the employee had been placed on said list.

7.03 **TEMPORARY APPOINTMENT**

An appointment is temporary when it is for the duration of a leave of absence or for a defined period of time in a fiscal year. Service under temporary appointment shall not confer on the appointee any credit toward a probationary period or the privileges or rights conferred on any regularly appointed employee. Refer to Section 2.06 of these rules.

7.04 **VOLUNTARY DEMOTION APPOINTMENT**

An appointment by voluntary demotion is the demotion of an employee in the competitive service at the employee's written request and with the approval of the Department Manager, Administrative Services Director and the City Manager. A demoted employee who had completed the probationary period in the position from which the employee was demoted shall not be required to serve another probationary period.

7.05 **REEMPLOYMENT**

An appointment by reemployment is the appointment of an employee from a reemployment list. Upon appointment from a reemployment list, the employee shall receive credit for former probationary and regular employment in the computation of salary, vacation, sick leave, or other benefits.

7.06 **EMERGENCY APPOINTMENT**

An emergency appointment is made by the Department Manager, with approval from the City Manager, without recourse to an eligible list under conditions necessitating immediate action. An emergency appointment shall not continue longer than thirty (30)
days and two (2) successive emergency appointments shall not be made to the same position. The position is not permanent. Service under an emergency appointment shall not confer upon the appointee any credit toward a probationary period or any of the privileges or rights conferred on regularly appointed employees.

7.07 NOTICE TO ADMINISTRATIVE SERVICES DIRECTOR

Whenever a vacancy in the competitive service is to be filled, the Department Manager shall notify the Administrative Services Director. If there is no reemployment list available for the class, the Administrative Services Director shall have the right to decide upon the recommendation of the Department Manager, whether to fill the vacancy by transfer, appointment from a promotional employment list or appointment from an open employment list.
8. **PROBATIONARY PERIOD**

8.01 **ORIGINAL APPOINTMENTS**

Unless otherwise provided in an applicable memorandum of understanding, or law, any person appointed to an authorized position in the Classified Service shall complete a probationary period at the time of appointment of twelve (12) months of continuous service, with the exception of the probationary period for the position of sworn personnel which shall be eighteen (18) months of continuous service. The probationary period shall be regarded as a part of the examination process and shall be utilized for closely observing the employee’s work, for securing the most effective adjustment of a new employee to his or her position, and for rejecting any probationary employees whose performance or personal qualifications do not meet the required standards of work for the particular position. In exceptional cases, the original probationary period may be extended with the approval of the City Manager, for a total probationary period extension not to exceed an additional six (6) months, where the Department Manager finds justification for such extension, unless otherwise provided in an applicable memorandum of understanding or law.

8.02 **PROMOTIONS**

The probationary period for all promoted non-sworn employees in the Classified Service shall be six (6) continuous months of service in the employee’s new position, unless otherwise provided in an applicable memorandum of understanding or by law. The probationary period for all promoted sworn employees in the Classified Service shall be twelve (12) continuous months of service in the employee’s new position, unless otherwise provided in an applicable memorandum of understanding or by law.

8.03 **TRANSFERS**

Full time employees who are transferred from one position to another position which is equivalent to that of the classification held prior to the transfer, will not serve a probationary period in the new position, unless approved by the City Manager. Probationary employees who are transferred to a new classification continue to serve the remainder of their probationary period in the new classification. A probationary period may be extended with the approval of the City Manager, for a probationary period not to exceed an additional six (6) months, where the Department Manager finds justification for such extension, unless otherwise provided in an applicable memorandum of understanding or law.

8.04 **CALCULATION OF PROBATIONARY PERIOD**

A probationary period shall date from the time of appointment to the authorized position in the Classified Service. Leaves of absence, or assignment out of class, that when combined total more than thirty (30) calendar days during the probationary period, for any reason, shall not be counted toward completion of the probationary period and shall shift the evaluation schedule accordingly.
8.05 REJECTION OF PROBATIONER

During the original probationary period, an employee may be released from employment by the Department Manager or City Manager for no reason, without any right of appeal. Written notice of the release will be furnished to the probationer and a copy filed with Administrative Services.

8.06 REJECTION OF PROBATIONER FOLLOWING PROMOTION

An employee rejected during the probationary period following a promotional appointment shall be reinstated to the position (or a like position) from which promoted unless discharged in the manner provided in these rules. If no vacancy exists in such position or like-position, the employee may request to be placed on a re-employment list.
9. **HOURS, ATTENDANCE, AND OVERTIME**

9.01 **HOURS OF BUSINESS**

All City offices shall be open from 8:00 a.m. to 5:00 p.m. Monday through Friday, unless otherwise established and authorized by the City Manager in writing.

9.02 **ATTENDANCE**

Each employee shall be in attendance at work in accordance with the rules regarding hours of work, holidays, and leaves. During the employee's scheduled hours of work, each employee shall devote his or her full time, attention and efforts to the city business.

Willful failure on the part of the employee absent without leave, to return to duty within seventy-two (72) hours, unless physically unable to report, shall be deemed by the city as a voluntary resignation without rights of appeal and such employee automatically waives all rights under the Personnel Rules and Regulations.

9.03 **LUNCH PERIODS**

A thirty (30) minute or one (1) hour non-compensated meal period shall be provided to full-time employees, depending on their work schedules. A fifteen (15) minute compensated rest period shall be provided all employees for each four (4) hour period of service. The rest period shall be taken at times designated by the employee's supervisor.

9.04 **OVERTIME**

It is the policy of the City to discourage non-exempt employees from working in excess of their regular schedule. Overtime may be required of any non-exempt employee to take care of operating emergencies; to handle peak workloads or to finish incomplete work when it is not possible or practical to employ additional personnel; to meet temporary conditions where the City is unable to secure qualified personnel to fill authorized positions; and on other occasions as deemed necessary in the judgment of the responsible supervisor or other management officials.

Non-exempt employees shall not be allowed to accrue overtime to perform work, unless such work has been expressly authorized by his/her supervisor.

Overtime shall be paid for in accordance with the Federal Fair Labor Standards Act. Compensatory time off (CTO) will be granted to employees under specific circumstances with prior approval from the Department Manager or supervisor, in-lieu of overtime pay, in accordance with the specific MOU.

9.05 **ALTERNATE WORK SCHEDULE/FLEX TIME**

The City may operate alternate work schedules which include, but are not limited to, variable daily work hours, flex time, adjusted weekly work schedules, 9-80 and/or
4-10-40. Any alternate work schedule contemplated under this section by its nature shall not constitute, nor create, overtime. An employee working an alternative weekly work schedule will not be allowed to take an additional day-off or change their flex day. If a holiday occurs on their flex day, the employee will be compensated for the holiday pay.

Employees may request an alternate work schedule which will first be considered by the Department Manager. Should the Department Manager determine that such alternate work schedule is feasible as recommended and does not adversely affect departmental operations, such proposal may be forwarded to the City Manager for consideration. Upon approval or modification by the City Manager, such alternate work schedule may be initiated.

Upon recommendation of the Department Manager to the City Manager, such alternate work schedules may be terminated or modified. The employee shall be given five (5) work days prior notice of the cancellation or modification of an alternate work schedule. Extensions not to exceed five (5) days may be granted with City Manager approval. The City Manager reserves the sole authority to terminate or modify alternate work schedules.

9.06 TIME SHEET PROCEDURE

Employees are responsible for the accurate and timely submission of time sheets, and other supporting documentation, to their supervisor for approval.

Time sheets must be submitted to Payroll Coordinators twice a month for the payment of wages and the tracking of accrued and used time off, benefits and other compensation. The Payroll Division determines time sheet due dates and methods of reporting time worked.
10. **HOLIDAYS, VACATION, AND LEAVES OF ABSENCE**

10.01 **HOLIDAYS OBSERVED**

Such release time may be charged to administrative leave, compensatory time off, vacation leave, or leave without pay at the discretion of the employee.

10.02 **HOLIDAYS FALLING ON WEEKENDS**

Generally, as determined by the City, when a holiday falls on a Saturday, it shall be observed on the preceding Friday. When a holiday falls on a Sunday, it shall generally be observed on the following Monday. If the preceding Friday or succeeding Monday is also a holiday, then the holiday is observed on the next preceding or succeeding work day as determined by the City.

10.03 **VACATION**

For the purposes of this section, employees include all the following as eligible: permanent full-time and probationary. The City provides benefits to eligible employees to enable them to take paid time off for rest and recreation. The City believes this time is valuable for employees in order to enhance their productivity and to make their work experience with the City personally satisfying.
10.03.1 **Vacation Accrual**

Each eligible employee shall accrue vacation for continuous service performed in a paid status. Except as otherwise required by law, if an eligible employee is on an unpaid leave of absence, as defined in the definition section of these rules and regulations, the employee will not accrue any vacation while on such leave. Refer to the memorandum of understandings for the accrual rates.

10.03.2 **Use of Vacation**

The time at which an employee may use his/her accrued vacation leave and the amount to be taken at any one time shall be determined by his/her Department Manager, with particular regard for the needs of the City, but also, insofar as reasonable, considering the wishes of the employee.

10.03.3 **Vacation at Termination**

A permanent or probationary employee whose employment with the City terminates shall be paid for that part of his/her vacation accumulation that remains unused at the time of termination. Payment for unused vacation shall be made at the rate of pay in effect for such employees at time of termination.

10.04.2 **Eligibility**

All permanent and probationary full-time employees shall be eligible to accrue sick leave benefits.
10.04.3 **Accrual**

Sick leave shall be accrued at the rate of eight (8) hours per calendar month for each calendar month that an employee has worked regularly scheduled hours. Regular and probationary employees receive a prorated accrual based on their regularly scheduled hours. Refer to the specific MOU’s for sworn personnel accrual rates, if different than stated. Except as otherwise required by law, eligible employees on an unpaid leave of absence, as defined in the definition section of these rules and regulations, do not accrue sick leave while on such leave.

Employees that are off work due to illness or injury shall not accrue sick leave once they begin to receive Disability benefits and no longer receive wages (including sick pay and vacation pay) through payroll, beginning with the first full pay period that they are off payroll, unless otherwise required by law.

10.04.4 **Use**

Sick leave shall be requested only in cases of actual personal sickness or disability, medical or dental treatment, or as otherwise authorized by these Rules, any applicable memorandum of understanding and/or state or federal law. Annual sick leave accrual may be used for the employee to attend to the illness or injury of a member of the employee’s immediate family as defined in the memorandum of understanding. Immediate family shall mean the employee’s spouse, children, domestic partner, children of domestic partner, or parent. An employee shall have his/her accumulated sick leave balance reduced by an amount equal to the number of hours of sick leave for which pay is received. Abuse of sick leave privileges may result in disciplinary action, up to and including termination from employment.

10.04.5 **Notification**

The employee requesting sick leave shall notify his/her Department Manager or supervisor at least one hour prior to their scheduled start time for reporting to work as soon as they are aware that they will be unable to report to work. Failure to reasonably do so, or otherwise comply with this Rule, may be grounds for denial of such leave with pay.

10.04.6 **Proof of Illness/Injury**

The employee may be required by his/her Department Manager or his/her designee or the Personnel Officer or his/her designee to submit a statement/certificate from the attending physician or dentist stating the cause of the absence, that the employee is or was incapacitated and unable to perform his/her duties, and attesting to the employee's
ability to resume work. In the event that the employee is not released to full duty, a written statement is required that specifically defines the employee's limitations. The City has the right to determine by reasonable means, including a fitness for duty examination, consistent with state and/or federal law, the validity of any sick leave usage by any employee at any time and/or the employee's ability to resume work. Refer to the Sick Leave Policy and the specific MOU for clarification.

10.04.7 **Release to Return to Work**

The City, when consistent with state and/or federal law, may require employees utilizing sick leave to remain off duty until released to full duty by a City designated physician.

10.04.8 **Reporting**

10.04.10 **Accumulation**

Sick leave may be accumulated without limit, subject to these Rules, official City policy, and/or applicable memorandum of understanding.

10.04.11 **Sick Leave Use During Vacation**

Employees who take vacation leave and become injured or sick may change the appropriate portion of their vacation leave to sick leave providing that they submit a statement/certificate from the attending physician or dentist supporting the days they were sick.

10.04.12 **Forfeiture Upon Termination**

Employee’s leaving the City service shall not be paid for accumulated sick leave, except as provided in the memorandum of understanding.
10.05 NON-INDUSTRIAL ILLNESS/INJURY/ACCIDENT MEDICAL LEAVE

Upon depletion of any accumulated sick leave for an injury or illness and upon the recommendation of the employee’s Department Manager, an employee may be placed on medical leave of absence without pay for a period not to exceed twelve (12) weeks. If the employee is unable to return to work at the end of this period, he/she may request further medical leave which will be subject to approval by the City Manager. Such request must be supported by medical certification from the employee’s treating physician. If further leave is granted, the employee must submit additional certification from a health care provider notifying the City of his/her status and intent to return to work every thirty (30) days. The City has the right to determine by reasonable means, including a fitness for duty examination, consistent with state and/or federal law, the need for such leave at any time and/or the employee’s ability to resume work. Unpaid medical leave under this section may run concurrently with any FMLA/CFRA Leave, Pregnancy Disability Leave, or Workers’ Compensation Leave to which the employee may be entitled. This section will be applied consistent with state and federal law.

10.06.1.4 Any employee subject to this Rule who depletes his/her accumulated sick leave, compensatory time, personal holiday
time and vacation days to maintain pay status while absent from work by reason of an injury or illness covered by Workers’ Compensation may be granted unpaid leave of absence and continuation of healthcare benefits consistent with these Rules, official City policy, and state and/or federal law.

10.06.1.5 Disability retirement may be requested by the City consistent with state and/or federal law.

10.06.2 Workers Compensation Salary Continuation Pay

Although the supervisor makes a note of the date, time, and content of the warning in a log or documentation notebook, or sends a confirming memo to the employee, no record is placed in the employee’s permanent personnel file unless subsequent action is necessary. Oral reprimands are not subject to the discipline appeal procedure.

a final notice of disciplinary action, or (iv) a supplemental notice of intent to discipline. The final notice of disciplinary action shall include the following:

a) The disciplinary action taken;

b) The effective date of the disciplinary action;

c) Specific charges upon which the action is based;

d) A factual summary of the grounds upon which the charges are based;

Any regular, full-time employee may appeal their notice of discipline of a suspension over five (5) days or three (3) shifts, by filing an appeal for advisory hearing. Such appeal must be filed within ten (10) working days after receipt of written notice of the listed disciplinary action; failure to file any appeals within such period constitutes a waiver of right to appeal. The appeal must be in writing and must specifically state the reasons upon which it is based.

11.06.01 Selection of Hearing officer

An impartial hearing officer may be selected jointly by the parties within ten (10) working days of receipt of the written demand. Both the City and the employee may call witnesses and present evidence that they deem necessary and appropriate. The hearing shall be closed to the public.

11.06.03 Advisory Findings
The findings of the hearing officer shall be rendered within thirty (30) calendar days of the hearing, or within a reasonable time thereafter, and shall be advisory only to the City Manager.
