**CITY OF MANTECA  
REQUEST FOR PROPOSAL  
FOR  
Gateway Sign Design Services**

<b>Questions</b>	
1. Do you have a page limit for the proposal?	No
2. Do you have a budget for the design and perhaps the fabrication and installation?	No budget has been set as to not limit the design idea phase
3. Are there CAD drawings available of existing street conditions at the proposed locations?	No there is not
4. The last page shows the Proposed Gateways Map. Do you have a legend, or can you briefly explain what the letters and “Original” and “Alternate” signify? a.	Original are the first locations identified for possible locations and the alternative locations are suggestions due to changed road alignments since the original proposal was made.
